### Race Officers

It is the responsibility of the owner(s) of the boats listed as Race Officer to arrange a substitute if they cannot attend. If a representative of the boat does not appear by 1800 on weekdays or 1350 on Saturdays, **it will become the responsibility of that boat's class to provide a substitute.** Any Race Officer being unsure of his/her duties should contact his/her Class Secretary. Full instructions are kept in the starter's box. READ THEM. Race Officers must at all times consider the safety of sailors when performing their duties. The decision whether to start or continue a race is yours, dependent on weather and sea conditions and available safety craft.
